NOTES:

- All measurements have been made to the nearest one-hundredth of a foot and all angular measurements have been made to the nearest one second.
- Dimensions along curves are arc lengths.
- All roads within this plat are dedicated to the public for road purposes.
- All drainage easements are granted to the Centennial Fields Homeowners Association and the Village of Johnson Creek. The individual lot owners are responsible for the basic maintenance of the drainage easement area on their specific lot (mowing grass and cleaning debris). Any maintenance of the stormwater facilities is the responsibility of the Homeowners Association. See note 7 for additional details.
- FLOOD ZONE CLASSIFICATION:** The property lies within Zone "X" of the Flood Insurance Rate Map Community Panel No. 55055C0183F & 55055C0184F with an effective date of FEBRUARY 4, 2015. Zone "X" areas are determined to be outside the 0.2% annual chance floodplain.
- OUTLOT STATEMENT:** Each individual lot owner shall have an undivisible fractional ownership in Outlots 1 through 3. Jefferson County and the Village of Johnson Creek shall not be liable for any fees or special charges in the event they become the owner of any Lot or Outlot in the Subdivision by reason of tax delinquency. Outlots 1 through 3 contain drainage easements and will remain as open space. The Centennial Fields Homeowners Association is responsible for maintenance of all outlots. See note 7 for additional details.
- STORMWATER MANAGEMENT PRACTICE MAINTENANCE:**
 - All lots and outlots are subject to a Stormwater Maintenance Agreement with the Village of Johnson Creek recorded as Document No. _____.
 - The titleholders of lots 1 through 67 of the Centennial Fields subdivision shall each hold 1/67 undivided and nontransferable interest in Outlots 1 through 3, where the stormwater management practices are located.
 - The maintenance agreement subjects this subdivision plat, and all lot owners therein, to covenants, conditions and restrictions necessary to ensure the long-term maintenance of the stormwater management practice. The agreement also outlines a process by which the Village of Johnson Creek may levy and collect special assessments or charges for any services the community might provide relating to enforcement of the Maintenance Agreement.
- All lands within areas labeled "drainage easement" are reserved for storm water collection, conveyance, treatment or infiltration. No buildings or other structures are allowed in these areas. No grading or filling is allowed in these areas that may interrupt storm water flows in any way. The Maintenance Agreement may contain specific maintenance requirements for these areas. The Village of Johnson Creek or their designee is authorized access in these areas for purposes of inspecting the storm water management practices or enforcing the terms of Maintenance Agreement.
- Trans 233 notes:
 - Setback Note: There shall be no improvements or structures placed between the highway and the setback line without a Special Exception from the Department of Transportation. This shall be a restriction for the benefit of the public under §236.293, Stats., and shall be enforceable by the Department of Transportation.
 - Access Note: §233.05(1) As owner I hereby restrict all lots and blocks, in that no owner, possessor, user, nor licensee, nor other person shall have any right of direct vehicular ingress or egress with Interstate Highway 94, as shown on the plat; it being expressly intended that this restriction shall constitute a restriction for the benefit of the public according to §236.293, Stats., and shall be enforceable by the Department of Transportation.
 - Noise Note: §233.105(1) The lots of this land division may experience noise at the levels exceeding the levels in § Trans 405.04, Table 1. These levels are based on federal standards. The Department of Transportation is not responsible for abating noise from existing state trunk highways or connecting highways, in the absence of any increase by the Department to the highway's through-lane capacity.
- All lots and outlots are subject to a Development Agreement with the Village of Johnson Creek recorded as Document No. _____.

UTILITY EASEMENT PROVISIONS

An easement for electric, natural gas, and communications service is hereby granted by Prairie Creek Ridge, LLC, Grantor, to

WISCONSIN ELECTRIC POWER COMPANY and WISCONSIN GAS, LLC, Wisconsin corporations doing business as We Energies, Grantee, SPECTRUM MID-AMERICA, LLC, Grantee, and WISCONSIN BELL, INC. doing business as AT&T Wisconsin, a Wisconsin corporation, Grantee

their respective successors and assigns, to construct, install, operate, repair, maintain and replace from time to time, facilities used in connection with overhead and underground transmission and distribution of electricity and electric energy, natural gas, telephone and cable TV facilities for such purposes as the same is now or may hereafter be used, all in, over, under, across, along and upon the property shown within those areas on the plat designated as "Utility Easement Areas" and the property designated on the plat for streets and alleys, whether public or private, together with the right to install service connections upon, across within and beneath the surface of each lot to serve improvements, thereon, or on adjacent lots; also the right to trim or cut down trees, brush and roots as may be reasonably required incident to the rights herein given, and the right to enter upon the subdivided property for all such purposes. The Grantees agree to restore or cause to have restored, the property, as nearly as is reasonably possible, to the condition existing prior to such entry by the Grantees or their agents. This restoration, however, does not apply to the initial installation of said underground and/or above ground electric facilities, natural gas facilities, or telephone and cable TV facilities or to any trees, brush or roots which may be removed at any time pursuant to the rights herein granted. Structures shall not be placed over Grantees' facilities or in, upon or over the property within the lines marked "Utility Easement Areas" without the prior written consent of Grantees. After installation of any such facilities, the grade of the subdivided property shall not be altered by more than four inches without written consent of grantees.

The grant of easement shall be binding upon and inure to the benefit of the heirs, successors and assigns of all parties hereto.

There are no objections to this plat with respect to Secs. 236.15, 236.16, 236.20 and 236.21(1) and (2), Wis. Stats. as provided by s. 236.12, Wis. Stats.
